*The banner design and layout, including graphic elements, are coordinated between the chamber and the printer. Location of the each banner is determined by the township. While we will attempt to accommodate special requests (banner design, location), we cannot guarantee that special requests will be honored.

LOGO REQUIREMENTS: Logos must be supplied to the chamber of commerce by the deadline indicated above. Graphic files must be at least 300 DPI; only .jpg and .tif formats are requested (contact the chamber office if other file formats are acceptable). For optimal coverage, graphics should have a horizontal orientation.

Banners are scheduled to be installed on various utility poles around town, primarily on Changebridge Road and Route 202. Available banner locations (utility poles) are determined by JCP&L, not the chamber or the township. Banner size is 60" tall by 30" wide and are double-sided.

Sponsorship includes banner(s) for the season indicated above and will be displayed for five (5) consecutive seasons UNLESS a banner is damaged or otherwise unusable. If a banner is damaged during the first three (3) seasons, it will be replaced at no charge. If a banner is damaged after the third season, it can be replaced for a fee of \$50. However, we cannot guarantee when the replacement banner will be installed. Banners remain the property of the Montville Township Chamber of Commerce.

If you have any questions, please contact the chamber office at (973) 263-3310 or info@montvillechamber.org.
